NORTHWICH
COMMUNITY

SUPPORT

WORKING IN UNITY FOR THE COMMUNITY

NCS runs from 4 hubs each week, collecting good food nears its best before date or use by date and re-distributing to the community. It has nothing to do with benefits and is all about preventing waste and helping our Northwich communities stretch their budgets during tough times. On average users are saving anything between £15 and £50 per visit which obviously mounts up over the month.

You'll find it a fun and stress-free environment where you can chat with other users. Engage on our social media and even swap ideas on how to use the produce. Join the Facebook page to find out more.
